## CAROLINA BEARCATS COMMUNICATION

Throughout the season we communicate important things to all of the players and parents weekly about what is happening with the program. From the practice schedule, to the location of upcoming games, to the status of practice if weather is an issue, etc... and it is vitally important that you follow certain apps and sites to get the information and to see what other social media items we are posting.

So I am asking that you go and follow these social media sites and to pay attention to the communication channels as follows:

Social Media	Page address or User Name
Bearcat Website	<a href="http://www.carolinapridefootball.com">www.carolinapridefootball.com</a>
Team Reach app	Coach Tony uses to communicate to team and Parents. Very IMPORTANT
Instagram	follow @CarolinaBearcatsFootball
Facebook	CarolinaBearcatsFootball
Emails	Comes from League Lineup (poss Spam)
Score Stream	Download App for Scores during game

These items are all important. We hear a lot that people never got the emails or alerts and usually it is because you are not following these items. Please do so now so that we have you connected to the program. Once I get your registrations I also include all parent's emails in our website and email them too. Check your spam to make sure you are allowing [www.leaguelineup.com](http://www.leaguelineup.com) emails if you are not getting them.

Practice cancellations will be put on all outlets as soon as we can. If you don't see it, we are practicing. If you miss due to weather and we practice, that is an unexcused absence and can affect your playing time.

If you need to miss something or communicate about your participations you must contact Coach Tony Ravenell at 704-837-0273. It is best to text him and give him your name. He won't know your number when it comes through. If you can't get a hold of him you may contact me at the number below.

Thanks for following these items and staying in tune to what we are communicating to you!

Bryce Friesz
